Dear Parents/Carers

RE: Information for Parents/Carers of Year 11 Students

The Foundation Studies Team at Chesterfield College will be holding a Virtual Information Evening on **Tuesday 23rd March 2021 at 5:30pm** for all students, parents and carers who would like to know more about the Foundation Studies Courses and support we offer to students.

The Foundation Studies department offers courses for students with learning difficulties at a range of levels. Students work towards the OCR Life and Living qualification which is offered from Entry Levels 1-3. We also offer a City and Guilds Level 1 award in Employability, which runs alongside the OCR Entry Level 3 course.

The course is student centred and each level is a one year qualification. Students are able to make progress within the Foundation Studies department or can attend Foundation Studies for a year, building skills and developing confidence before moving on to a mainstream College course.

Please sign up on the link below if you would like to attend:
