

Dear Parents/Carers

At SSSC, we use ePraise as our school rewards system in order to reward and motivate our pupils. Pupils can earn ePraise points through positive behaviours, which they can then spend on prizes and rewards through the ePraise website.

Pupils are awarded points by staff members when they demonstrate one of the following characteristics.

- Bravery
- Knowledge
- Responsibility
- Teamwork
- Above and beyond
- Independence
- Resilience
- Perseverance

As part on a new update on the system, we can now setup parental access to ePraise (via the app or website) which will allow you to view and monitor your child's achievements within school.

If you wish to be provided with access, then please complete the form below and return to school. You will need to provide us with your email address in order for you to activate and manage your account. We will then set up your account and provide you with a user guide regarding how to activate your profile.

Kind regards

Mr Norman
