

Online Safety Training for Parents/Carers

Supporting your children to become safer, confident users of online technology

For parents and carers in Derby and Derbyshire

Monday 7 December 2020 - 09:30-11:00

Fully funded by NHS Derby and Derbyshire CCG, this **virtual** training will be delivered online by internet safety expert Traci Good

We don't want our children to be afraid of the dangers online. We want them to be brave and aware. As a group, we can help each other become confident explorers, learning to navigate the digital environment safely and responsibly.

Traci Good

Intended Outcomes:

- To look at the most popular apps and games and the safety features embedded within them.
- How to understand and identify the risks for young people online.
- Where to find help and support, should you need it.

Course fee £0.00. Resources will be made available following the session.

To book a place, click on www.derbyandderbyshireemotionalhealthandwellbeing.uk and **Training & Events** or add the course title in the search box. Places are limited.

This course will be hosted online via **Microsoft Teams**. A confirmation email with joining instructions, including the Microsoft Teams meeting link will be sent to each attendee prior to the event.

Cancellations and Non-attendance

If you are unable to undertake this training for any reason, please email us as soon as possible at training.events@derbyshire.gov.uk as non-attendance deprives other delegates of a place.

Although these are advertised as fully funded events, all courses incur costs to cover the tutor, resources and administration. As this is public money being invested in training across Derby City and Derbyshire, we have a duty to use it responsibly.

Data Protection Statement:

Data relevant to your personal details will be stored in a secure information system within Derbyshire County Council's Integrated Workforce Development Section. We use the information you provide to complete DfE returns and any other statutory Government returns as required by law.

The above personal information will be used in order that Derbyshire County Council can retain a record of your training activity. The information will be retained securely by the Council in line with Derbyshire County Council's retention schedule.

Your information will not be shared with any third parties without your consent, except for when we are required to do so by law.
