## Action Plan for Year 7 Catch up Grant 2018-2019

### Swanwick School and Sports College

In the academic year of 2018/2019 we currently have 14 Year 7 pupils on role. Out of the 14 pupils on role, 14 did not achieve the expected standard in reading or maths. Our main focus when utilising the Year 7 catch up money is to increase attainment for our pupils.

Swanwick School and Sports College will be allocated £7,000 Catch Up funding for the year 7 pupils. Below is how we intend to use the funding to improve attainment for our Year 7 pupils.
